## DfE BLOC

DfE BLOC is a fast and effective biological liquid odor control that quickly neutralizes odors, digests organic soils, and through bio-enzymatic activity degrades and eliminates the cause of odor.

- Use to control odors caused by waste and food, used to deodorize fabric and hard surfaces.
- Animal waste odors
- Skunk & cat spray
- Waste Management. Control odors in and around garbage bins, waste collection vehicles, and garbage chutes
- tobacco and smoke odors
- Transportation (automotive, buses, airline, etc)
- Hospitality. Use in hotels to deodorize duvets, pillows, furniture, and any hard surface
- Sports Facilities. Pre-clean and deodorize uniforms.
- Pet areas (bedding areas, kennels)
