Enviro Care[®] Hand Soap

Fragranced

Enviro Care[®] Hand Soap

Where to Use

ENVIRO CARE Hand Soap has abundant lather which helps to remove soils without compromising the natural skin lubricants that help prevent drying and chapping problems. The pleasant scent provides natural skin freshness. ENVIRO CARE Hand Soap is tough enough to provide superior cleaning action to quickly remove greasy, oily residues and gentle enough to be used in the shower.

Benefits

- Paraben and Phthalate Free
- No Glycol Ethers
- Non-Alkaline
- Bio-based ingredients
- Biodegradable*
- Contains No Hazardous Ingredients**

* As defined in 40CFR796.3200 EPA/TSCA

** As defined in OSHA 29CFR 1910.1200

Directions for Use

Place a small amount of ENVIRO CARE Hand Soap in palm of hand, add water and work into cleansing lather. Rinse with clear water and dry.
